

## IIE Bachelor of Arts

Faculty of Humanities

The IIE Bachelor of Arts (BA) degree (distance) is a broad-based Arts degree that focuses on 'the art of learning and critical thinking'. The IIE BA degree provides students with a choice of two of the following three core disciplines namely: English, Psychology and Communication Science.

The IIE Bachelor of Arts (BA) degree will qualify its graduates to work in a variety of sectors and organisations. Graduates will be equipped with advanced writing and verbal skills, conceptual and critical thinking skills, as well as general communication skills valued by all employers and needed in all organisations. Students completing any of the core disciplines (Psychology, Communication Science or English) to third year will also qualify to articulate into an Honours Degree, if they meet the entry requirements of such programmes.

The distance mode of study is ideal for working adults who prefer not to attend full-time lectures, but still want to pursue a higher education qualification in the above-mentioned disciplines.

As an IIE distance student you will receive all your support online from a dedicated team of IIE Varsity College Online tutors.

(If discipline not cognate at least 20% of credits must be academic literacy or numeracy related).		

Should you have any other school leaving qualification not mentioned above, please contact a student advisor.

## What are the benefits of an IIE distance (online) qualification?

The IIE's distance (online) delivery mode provides you with the agility of studying towards a tertiary qualification asynchronously, at different times from different locations. Distance students need to commit to approximately 20-25 hours a week for distance engagement (most of which is after hours) with material and assessments to succeed.

Here are some of the benefits you can expect:

- A sequenced online learning environment that allows you the ability to manage your learning experiences flexibly and autonomously.
- A learner guide designed to lead you through the module material and learning outcomes, empowering you to effectively pace your learning in preparation for assessments.
- Our Learning Management System is designed to break up your learning units into manageable sections which include various activities to support learning.
- Module expert online lecturers that facilitate module teaching and learning support through various technology enhanced mediums.
- Online Success Navigators provide administrative and operational guidance and support throughout your academic journey.
- A professionally registered Student Wellness Manager/Counsellor available for short-term, primary counselling services. Additionally, the Student Wellness Manager/Counsellor hosts various webinars and virtual talks on topics that promote a balanced lifestyle as you pursue your academic goals.

Please note that this fact sheet is accurate at the time of publication. The Independent Institute of Education (The IIE) reserves the right to alter any of the content prior to commencement of registration due to changes in regulation, policy, market requirements, or any other valid reason. Details are correct at the time of printing V2 31 July 2024

### Device and connectivity specifications required for online study:

- Reliable internet connection (we recommend 5-10 GB of data per month and an internet speed of at least 0.15 Mbps).
- Desktop PC or laptop with at least an i3 processor and 4GB RAM memory.
- Windows 8 or macOS 10.15 (Microsoft Office 365 is available as a free download for IIE students), and Google Chrome, Microsoft Edge Chromium or Firefox.
- A working webcam and microphone.
- An uninterrupted power supply is also highly recommended.

Exams are written at an exam centre and in some instances online. These details will be specified in your programme assessment schedule.

### Where assessments are written in person:

- For students based in South Africa, online students may select any campus of The IIE's Varsity College, Rosebank College, Vega, or IIE MSA as their Examination Centre.
- An alternative examination centre is only permissible for students studying abroad and those located in a province of South Africa where there is no IIE campus. If there is no IIE campus within reach, an alternative venue will need to be sourced by you. For non-IIE venues, there is an alternative venue levy per module.

### How will The IIE's Varsity College support your online learning as a distance (online) student, and how will it help prepare you for the working world?

Our distance teaching and learning approach is designed to allow you the freedom to self-govern your learning experiences according to your individual needs. You are at the centre of your own learning journey, and by offering curated engagement opportunities, we partner with you to:

- Engage with subject material
- Build understanding
- Develop critical thinking and problem-solving skills
- Manage your work, life and studies
- Succeed in your personal, professional and academic goals

THE IIE IS ACCREDITED AS AN INDEPENDENT HIGHER EDUCATION INSTITUTION BY THE BRITISH ACCREDITATION COUNCIL.
