

IIE Postgraduate Certificate in Education in Senior Phase and Further Education and Training Teaching (PGCE)

**Faculty of
Education**

The IIE's Postgraduate Certificate in Education in Senior Phase (SP) and Further Education and Training (FET) is a professional teaching programme that targets graduates with a suitable undergraduate degree or an approved diploma in appropriate and scarce fields in the teaching profession. The programme offers entry-level professional preparation for undergraduate degree or diploma holders¹ who wish to develop focused knowledge and skills as classroom teachers in the Senior Phase and Further Education and Training band in their chosen subjects.

The purpose of this programme is to qualify students to follow a career in teaching in the Senior Phase (Grades 7-9) and Further Education and Training band (Grades 10-12). This PGCE programme is structured in accordance with the Department of Higher Education and Training's (DHET) Policy on Minimum Requirements for Teacher Education Qualifications (2015). It is also aligned with the new Higher Education Qualifications Sub-Framework's (HEQSF) guidelines. The programme will equip SP and FET student teachers with the knowledge, skills and applied competencies for employability and further specialisation study, in support of the principles of life-long learning.

The IIE's PGCE (Senior Phase and Further Education and Training) provides a fundamental and comprehensive education underpinned by subject and pedagogic knowledge in specialized teaching in specific Senior Phase and Further Education and Training band subjects.

The programme focuses on foundational education theory and methodology and is therefore closely aligned with the requirements of a professionally qualified beginner teacher.

¹ Consideration may be given to holders of 360 credit exit Level 6 diplomas in appropriate and scarce fields as identified by the Department of Higher Education and Training (2015).

School-based Work Integrated Learning (i.e. Teaching Experience - TEF7112)

School-based Work Integrated Learning (WIL) is a critical component of Teacher Education Qualifications, the requirements of which are stipulated by DHET.

Students will be required to complete a minimum of 8-weeks in school-based WIL (4-weeks in Grades 7, 8 and 9 and 4-weeks in Grades 10, 11 and 12) as per the IIE Academic Calendar.

Access on to School-based Work Integrated Learning (i.e. Teaching Experience):

The Teacher Education qualifications of The IIE Faculty of Education have Work Integrated Learning (WIL) that occurs in the schools with particular requirements.

The following is important in this regard:

SACE Provisional Registration (Student educators only)

All students registered for an initial teacher education qualification with The IIE are required to provisionally register with SACE.

Police clearance certificates

All students undertaking an academic qualification with a school-based WIL component will be required to have a valid police clearance certificate on commencement of their Teaching Experience component in a school.

Attendance requirements (for access on to the main School-based WIL as aligned to teacher education programmes)

Students will be allowed access to the main school-based WIL [referred to as Teaching Experience (in semester 2)] per relevant year if: The student has met the 80 % lecture attendance requirement for each of the identified modules as is aligned to Teaching Experience for that year.
